

*Citizens Pledge
To STAND for America*

In honor of our Founding Fathers and every patriot who has endured hardship, shed blood and sacrificed life and limb for American liberty, I pledge:

If I have to be the last person standing up for our Constitution; the last person standing up for our Judeo-Christian values; and the last person standing up for our Flag, I will never give in. I will never give up. I will never back down. I will never allow my beloved country to become a Marxist, socialist, communist nation. I will stand up for America as "one nation under God, indivisible, with liberty and justice for all." I will support and vote for candidates whose principles uphold these values.

To this I pledge my life, my fortune and my sacred honor until my final breath.

Signed this _____ day of _____ in the year of our Lord, Two Thousand Twenty.
