

Citizens Oath to the Constitution

As a citizen of the United States of America,

I, _____, acknowledge that I am an American citizen by birth, or a naturalized American citizen by choice, and that I freely and proudly choose to remain an American citizen. I further acknowledge that in my lifetime the Constitution and the Bill of Rights have been eroded by the ignorance of citizens and trampled by certain government officials who violate their oath to satisfy their hunger for power.

Therefore, I do solemnly swear or affirm that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; furthermore, that I will oppose all ideologies, ideas and policies which undermine the Constitution, including but not limited to Marxism, socialism, communism, fascism and Sharia Law.

I take this oath voluntarily, without any reservation and under no legal or governmental obligation, so help me God.

Signed this _____ day of _____ in the year of our Lord, Two Thousand Twenty.
